Central Piedmont Community College CCP Middle College Application

Career and College Promise (CCP)

Career and College Promise (CCP) gives high school juniors and seniors the opportunity to get a "jump start" and earn college credit toward a two-year or four-year degree while still in high school. Students are dually enrolled in their high school and at Central Piedmont Community College, allowing them to receive both high school and college credit for courses taken through the program. Best of all, CCP classes are tuition-free during the fall, spring and summer semesters.

Please Note: Your social security number is not required; however, for faster processing, please provide your social security number.

Central Piedmont Community College has reviewed and modified its policies and procedures regarding data protection to ensure compliance with the GDPR where compliance does not conflict with state or federal record retention requirements. If you have any questions or concerns regarding GDPR, feel free to contact the office of the CISO at 704-330-6598 for more information.
