

### EDUCATION EXPERIENCE AGREEMENT

Novant Health (Novant) allows certain students (“Students”) to participate in education experiences in Novant facilities in an effort to assist the student in achieving educational objectives. In order to protect the safety and welfare of the patients and employees, as well as myself, I agree as follows:

- I will fulfill the responsibilities assigned to me by the Facility during the clinical training program. I agree to comply with Facility’s rules, regulations and policies.
- I will follow the *Faculty and Student Dress Code* and will wear an Identification Badge prominently at all times during my education experience.
- I will be on time. I will remember to bring money for lunch and parking fees.
- I will treat patients, visitors, employees, and physicians with respect. Patients have the right to refuse to allow me to participate and/or observe their care and I will honor that.
- I will cooperate with Novant staff in arranging the dates, times, and length of my education experience.
- I will follow the *Confidentiality Agreement* and hold all information I learn about patients in strict confidence.
- I will follow the direction of my preceptor and remain with her/him at all times.
- I will work with my preceptor and others to make sure that my education experience is meaningful.
- I will observe proper hand hygiene and other infection control measures.
- In the event I am involved in an accident on Novant property and need help, Novant will provide access to first aid or emergency care. If I am seen in the Emergency Department, I will be charged normal Emergency Department fees.
- I am responsible for my own actions while I am participating in the education experience, including any negligent or intentional acts that may result in a claim against a Novant employee or facility.
- I will not make or receive personal calls and/or text messages during the workday, regardless of the phone used, may result in the student being removed from the facility. Please leave your cell phone with your personal belongings. You may make personal calls and send text messages on non-work time (breaks, lunch, etc). Please make sure that your friends and family members are aware they should not call during the workday unless it is an emergency.
- I authorize Novant and my educational institution to exchange a copy of my records, including health and immunization records.
- In the event that I am employed by Novant, apply for employment at Novant or provide services in any capacity to Novant outside the scope of this clinical training program, I authorize Novant to disclose the results of my Criminal Background Check, Office of Inspector General Report, Drug Screen and any other information related to my performance during this experience to Novant Health’s Human Resources Department and Employee Occupational Health Department if the results of those reports would disqualify me or otherwise impact my employment or other relationship.
