

### **Occupational Therapy Assistant Program**

**In lieu of observation hours, please watch the following video and review the links for prospective students provided by the American Occupational Therapy Association (AOTA). Then complete the following questions and attestation:**

- [What can Occupational Therapy do for you?](#)
- [AOTA: Considering a OT Career – “Why I chose Occupational Therapy” stories from students](#)
- [AOTA: Considering an OT Career - Diversity](#)
- [AOTA: Considering an OT Career - FAQs](#)

1. **Please upload the links to 3 additional, credible sources that you researched to find out more about the profession of occupational therapy in different settings and with different age populations:**
  
  
  
  
  
  
  
  
  
  
2. **In 3-5 sentences, describe how occupational therapy treatment differs among settings and populations.**

3.  **I attest that I have reviewed the above information about occupational therapy in lieu of observation hours and am thoughtfully making the decision to pursue a career as an occupational therapy assistant with a clear understanding of the job opportunities and expectations. I feel that pursuing this career path aligns with my professional goals and skill set and I submit this application willingly and purposefully.**
